STOP LOCAL TRAIN CUTS

We ask the Legislative Assembly to stop the cuts to our local train services

To the Honourable the Speaker and Members of the Legislative Assembly of New South Wales.

This Petition of the residents of New South Wales named below brings to the attention of the House concerns that;

- That due to the Government's new train timetable many Western Sydney residents will face longer commuting times to the city
- Increased number of interchanges for services are making trips longer and inconveniencing commuters

The undersigned petitioners ask the Legislative Assembly to review the new timetable with a view to make it fairer.
