Dear all,

Thank you for your time in discussing the proposed Transport Oriented Development SEPP. We look forward to receiving your draft submission by 31 January 2024.

In the meantime, please find attached the briefing slides for your review. Attached also are our notes from the meeting, you are welcome to provide any feedback or changes as required. It will not read as your submission but a record of discussion.

Please note that a slightly amended version of these slides will be presented to your Councillors.

Kind regards (on behalf of)
