OFFICIAL

Hi both,

Hope you had a good Christmas, New Year & a nice break.

Just wanted to make sure that you saw this letter we received from Cumberland Council in relation to the stations identified in their LGA for the tier two TOD program.

I presume that ongoing consultation with Councils is beginning again shortly for the new year, but given concerns from this area I wanted to flag the letter and will leave with you to work out a hopefully amenable resolution with Cumberland Council.

Thanks,

Caitlin
