

## Top 10 Destinations from Sydney & InterCity Rail Network: 20 October - 20 November 2024

Data source: Opal

C: Top 10 commuter destination station/stop from each station/stop (monthly average)

D: Number of passengers from each station travelling to each of the top 10 destinations (monthly average)

### Data Disclaimer:

(a) Please note that the process involved in preparing this deliverable file includes extracting the relevant data, processing and transforming the data to ensure it is in a usable format, adhering to established data governance policies, performing data quality assurance checks, producing the final data outcome, and providing the necessary technical documentation to support the process and the deliverable.

(b) Due to the granularity of the information, data masking has been applied where the value is less than 10 indicating as '<10', as the level of detail may not be available in the public domain.

**\* (c) The Top 10 destination stations may sometimes contain the same average weekday trips for each origin station. In these instances, the destination stations are listed in alphabetical order.**

\*Please refer to Train Line reference map in this link: <https://transportnsw.info/sydney-trains-network-map>

Origin Station	Destination Station* <i>Refer to disclaimer (c) listed above</i>	Average weekday daily trips between 20-Oct-2024 till 20-Nov-2024
Aberdeen Station	Newcastle Interchange	<10
